Declaration of Conformity

We hereby declare that all products listed below strictly comply with **Oeko-Tex® Standard 100 with regards to the limited value of substance as per requirements**

All products listed are manufactured by **Silkflex Polymers Sdn Bhd** in Malaysia and marketed by **Silkflex Vietnam Company Limited** in Vietnam

The above mentioned declaration of compliance is given provided that products are applied in accordance with our recommendation. Please consult the relevant Material Safety Data Sheet(s) (MSDS), Technical Data Sheet(s) (TDS) and Certificates.

Sincerely

Dr. Eric HL Tan

The information in this brochure has been compiled in accordance to our best knowledge at the date of issue and is based on recent technological and scientific developments. However, this information should not be construed as recommending the use of our product in violation of any patent or as warranties (express or implied) of non-infringement or its fitness for any particular purpose. Prospective purchasers are invited to conduct their own tests and studies to determine the fitness of Silkflex products for their particular purposes and specific applications. Due to various techiniques and conditions applied, Silkflex accepts no responsibility for any use of the product, by way of experiment or manufacture nor does Silkflex accept any responsibility for the used techniques in any application whatsoever. Silkflex does not warrant against infringement of patents of third parties by reason of any uses purchasers make of the product
